

Preparing for Retirement:

Making Sense of Medicare and Social Security Retirement.

Medicare and social security can be puzzling. There are many choices and decisions that you need to make.

Understand your choices with a no-cost, no obligation Medicare and Social Security 101 class. You will learn how to make the most informed decision about your healthcare and social security retirement benefits, and you'll receive a Medicare 101 booklet.

We'll help you understand:

- What is original Medicare?
- What are the different parts of Medicare?
- What are your options for Prescription drug coverage?
- Deadlines for enrolling.
- Basics of social security retirement benefits
- When to claim social security benefits
- How it all fits into your overall plan for retirement

We encourage you to bring your friends, family and co-workers to this complimentary meeting.
