Medicare & Individual Benefits

Sheridan Benefits has a team that specializes in providing solutions and options for both individual health insurance and Medicare. Do you have Part time employees, employees eligible for Medicaid, families in need of Child Health Plus, retirees, Medicare eligible employees, or employees who have lost their coverage? We can help! We can advise employees and individuals on all choices available to them, including state subsidies and answer all questions on Medicare options. This could save employers and individuals substantial amounts of money and provide better coverage.

Personal Insurance

With over 50 insurance companies represented, our personal insurance team will review your coverage so you can be sure your family and personal property are well protected if the unthinkable happens. Promark's service team is proactive and focused on saving you money while maximizing your coverage.

Technology Platforms

We offer multiple cutting-edge technology solutions designed to ease the burden of Benefits Administration and Risk Management. Our team constantly reviews and invests in new technology focused on making your benefits and insurance programs as efficient as possible. This includes personalized online enrollments, digital renewal processes, eligibility management, payroll reporting, real-time compliance, educational webinars, and communication tools for your employees and HR team.

Compliance

Our hands-on approach is backed by cutting-edge technology that will keep you in compliance. These services include Learning Management Systems, Premium Only Plans, Wrap Documents, Digital OSHA Tracking, Customized Benefit Notices, Safety Manuals & Training, Contract Review, Loss Control Services, and ACA Compliance Reporting. Expect to receive updates and alerts regularly keeping you informed about the most recent changes and updates that affect your business.
